

Jordan and Laura FRANKLIN

CHURCH PLANTING IN ARGENTINA

Over these past few months, we have been immensely blessed by the warm welcomes and encouragement we have received from every church we have visited. We have traveled all across the country during these past few weeks, and we have seen the Lord continue to strengthen us as we continue to raise our prayer and financial support.

While there have been many joys in this season, there has also been sorrow due to the passing of Laura's dear Papa and Nana, who both went to be with the Lord in November. They loved the Lord and served Him in their church and in various ministries. They led many to the Lord, and we are thankful that they are now with Him face-to-face fully healed from all sickness. We know that we grieve for ourselves and not for their current experience, as they are now in glory and seeing with their own eyes what we all long to see. However, they are dearly missed on this side of eternity.

This hope is also a confirmation in our lives as to why the Lord is leading us to Argentina. It is for the millions of Argentines who do not have the blessed assurance of the Good News of the gospel that we must go.

As you join us in prayer, please keep these points in mind:

- **For Laura's family** as they grieve the passing of her grandparents.
- **For the Argentine people** who do not have this hope in the Gospel.
- **For faithful supporters** who will come alongside us to help us not only get to Argentina but stay there for our lives.

In Christ,
