FRANKLIN
CHURCH PLANTING IN ARGENTINA

We are excited to share how God had continued to lead us toward Argentina. By God's grace, we have reached **over 20% of our monthly support**, and we are on track to be on the field next year. Since receiving approval in September, **we have visited, or are scheduled to visit, more than 75 churches**. We have been deeply encouraged through these visits and are grateful for the opportunity to encourage so many faithful church families.

One of our favorite things to share while visiting churches is our children's book, *Frankie and Lynn Reaching Argentina*, our true missionary story told through the perspective of two bears. The book encourages families to be involved in missions and includes a Bible lesson on the Great Commission. We love using it in kids' ministries and would be honored to share it at your church. Free animations from the book are available at www.FranklinsToArgentina.org, and the book is also available on Amazon.

As we continue preparing for Argentina, we also have a list of specific needs beyond our monthly support. If you would like more information about our needs list, please feel free to email us at contact@franklinstoargentina.org, and we would be happy to follow up with you.

Thank you for partnering with us through prayer and support. We are so grateful for each of you and for the role you play in what God is doing.

Prayer Requests:

- **Praise the Lord with us** for reaching over 20% of our monthly support.
- **Pray for the Argentine people and future church leaders**, that many would come to know Christ through the churches we hope to plant.

In Christ,
Jordan and Laura Franklin
Church Planting in Argentina

We were snowed in at a missions conference and enjoyed sharing our hearts with the kind people at the church.

We attended the Texas BBF Fellowship Meeting in Waco, Texas, and we stopped by the Magnolia Silos on the last day!

We were graciously hosted by a family in Denison, Texas as we presented our calling to Argentina at their church.
