CHURCH PLANTING IN ARGENTINA

Summer highlights! June and July were filled with many blessings, as we were able to continue to encourage churches in missions!

- **We started the summer off by serving at a VBS in Kansas.** We praise the Lord that 27 kids made professions of faith, and it was precious to see kids surrender their hearts and lives to Jesus!
- **We traveled to the BBFI Missions Office for our second year of Advanced Missionary Training.** We learned about valuable resources and strategies as we prepare to move to Argentina.
- **We visited Jordan's home church in the Dominican Republic that his parents started.** We shared with the church how the Lord has called us to be missionaries in Argentina, and we thanked them for making a difference in our lives for many years.

As we prepare to move to the mission field, we are raising support for a vehicle in Argentina and for our initial set-up expenses. If you would like to help with these needs, you can contact us at contact@franklinstoargentina.org.

Prayer Requests:

- **Praise:** The Lord allowed us to visit and encourage Jordan's home church in the Dominican Republic.
- **Prayer:** That the Lord would provide the \$30,000 needed to purchase a ministry vehicle in Argentina.
- **Prayer:** That our visa process would go smoothly as we submit our paperwork to the Argentine Embassy in Houston.

In Christ,
