

Our Year in Review

Over this past year, we've traveled over 35,000 miles through 32 states and are so grateful that the **Lord has provided 60% of our prayer and financial support!** We are thankful to have been able to celebrate a full year of deputation to partner with and encourage church families in missions on our way to reach Argentina.

Encouraging Church's in Mission: It has been a joy to encourage churches in missions and see people take their next step of obedience with the Lord, whether that be through salvation, a call to missions, or a renewed commitment to living for the Lord.

Answered Prayers: We have been blessed to see the Lord answer prayers you have been praying this year for us, such as the prayer requests for us to be used by God to reach people for Christ in the churches we travel to and in Argentina, provision for a vehicle when ours broke down, and for safety as we travel.

Grace in Trials: We saw the Lord go before us even in times of trial when Laura's grandparents went home to be with Jesus this past November. During that time, the Lord opened up our schedule, so we had time to grieve and thank the Lord that they are fully healed in Heaven.

We are grateful for all of your prayers! Also, check out our **Year in Review Video** where you can learn more about what God has done this past year of deputation.

1. **Praise:** We have officially completed one whole year of deputation!
2. **Prayer Update:** Praise the Lord for the funds to purchase our ministry vehicle in Argentina, and please continue to pray for His provision for our setup costs!
3. **Prayer:** That our visa process would go smoothly with the Argentine Embassy.
